

Big Data Institute Symposium

Big Data Institute, 10:00-16:00 April 26th 2017.

Meeting goals

- To enable BDI groups to get to know each other.
- To introduce the range of science being carried out in the BDI and the ways in which it takes place.
- To discuss how the BDI can promote effective science across disciplines.
- To explore ways in which we can encourage diversity and community within the BDI.

Programme

09:30 Registration and coffee in the atrium

10:00 Welcome and goals for the meeting

10:20 Short scientific talks

12:00 Working lunch: Breakouts sessions on how to create a successful environment for science.

13:30 Open problems in biomedical big data

14:30 Short scientific talks

15:30 Feedback from breakout sessions

16:00 Tea and cakes in the atrium
